

**Give thanks for:**

- The dedication, experience and commitment of the teaching staff
- The financial support from many countries, enabling the continued progress in the development of the school

**Please pray:**

- For the continued retention of this excellent group of teachers and extra funding to increase salaries
- That the headmaster's house will be repaired sufficiently for him to live there for Term 3
- That PEACE may continue to be maintained in the country

## Another successful year!

Once again this is turning out to be another very successful year for Juba Diocesan Model Secondary School and hopes are high for an even greater year ahead.

The excellent School Certificate results – with a 100% pass rate again – have resonated across the country and parents are already planning schemes to secure places for their children in the next school year.

After all the hard work achieved in the two terms before the holidays began, the annual Sports Day was held as usual and the athletic

activities were personally opened by Assistant Bishop Fraser Yugu. This is the first time that the clergy have attended and been involved in these activities.

Added to which, his grace Archbishop Justin spent some time in the school on 8 July, bringing a delegation with him. The above photograph was taken at morning parade, when worship and notices are given. The Archbishop was able to speak to the whole school and join in the regular songs of worship. The lady holding the microphone is Jagura, the new Inspector of Schools.

## School Certificate

The registration of 138 candidates for the next School Certificate examinations to be held in December 2019 is another milestone in the success of JDMSS. This is the largest number of students to be presented in the life of the school to-date and illustrates that a growing number of parents see the value of this School Certificate in securing a better future for their children. We hope that this success will continue.

## Headmaster celebrates 10 years

To celebrate his 10 years at the school, the Headmaster held a party for his whole staff in May so that together they were able to reflect on the progress and success achieved during his tenure, much of this down to his loyal, hard-working teachers.

A one-day Teachers' Workshop was also held to enable them to reflect on their standards and achievements and to discuss fresh ideas and new strategies as the school continues to expand. A real refreshers' day!

## Rotary Clubs

Once again we are grateful to The Rotary Club of Canterbury for their continued commitment to support 48 students through their 4-year course.

The proposed new house for the Headmaster is undergoing refurbishment

## New house for Headmaster

The Headmaster and his family currently live on the far side of the town in a dangerous area. Their house has been broken into on several occasions, so it is necessary for him to live nearer the school with his family.

An old house, originally built in the 1940s for the Headmaster of the CMS Primary School, is being totally refurbished at a cost of about £30,000 – money raised by the Friends of JDMSS.

This house is adjacent to JDMSS and means help will be on hand at all times, which is especially important for the 60 girls living in the Boarding House.

It will also obviate driving an hour each way to and from school. The house should be ready for the Head to move into before Christmas.

Thank you for your prayers and gifts. Both are essential to the continuance of the school.
